MORE THAN A BRAND

COMMERCIAL REFRIGERATION

We have one of the most extensive ranges of cooling appliances on the market, to cool, conserve and display food and drink. A wide variety of solutions that can all be personalised as regards size, application, features and finishes, which we develop in our own manufacturing plants.

LAUNDRY

Washing, drying and ironing machines that include the latest generation models and all designed both for small businesses as well as larger establishments, such as hotels, hospitals, etc.

RESTAURANT & CATERING

With our extensive range of cooking products, ovens, dishwashers, laundry and refrigeration appliances, we meet the most innovative and challenging needs of professionals in the restaurant and catering industry.
WE PROVIDE SOLUTIONS FOR THE NEEDS OF EACH MARKET.

Restaurant & catering, laundry and commercial refrigeration
FAGOR is a worldwide leading manufacturer of equipment for the foodservice and commercial laundry sectors.

· With over 60 years of experience and intimate knowledge of the day-to-day work and needs of the hotel and restaurant professional, Fagor Industrial offers a complete range of products under the same brand.

· A labour that we carry out with a committed and accessible team who guarantee excellent results to the most demanding professionals also looking for a prestigious brand.
INOXFERA is a leading brand specialized in cutting-edge food distribution equipment solutions for the modern hospitality industry. Our aim is to design and create optimum spaces, with sophisticated visual identities, tailored to specific foodservice concepts.

At the same time, in each project we ensure a perfect integration of technical functions with aesthetics homogeneity and the most scrupulous attention to detail in the finishing.
EDENOX is a specialist brand that manufactures and markets stainless steel products for distribution, dynamic preparation and refrigeration for the hotel industry, catering and associations of ONNERA Group.

- It has a comprehensive portfolio, which includes traditional products as well as products that incorporate the latest culinary trends. Its strategy is to provide high-quality professional products with a range of services linked to an unbeatable product, a supply chain designed for make-to-stock deliveries, a professional technical support service with proven experience and an order processing service with the sole objective of offering a real and satisfactory service.
ASBER is a global manufacturer of catering industry equipment with a catalogue centred on high-speed rotating equipment, providing the best solution in terms of quality and price.

Thanks to its manufacturing capacity, it can offer products adapted to different local environments and develop personalised solutions for its clients.
Efficold is the ONNERA Group’s specialist brand in refrigeration. This brand is particularly aimed at the drinks, Horeca and supermarket sectors.

- It stands out for its innovative capacity, its high technological level and its commitment to energy efficiency and care of the environment as strategic priorities.
- It is distinguished by its high capacity for development, personalisation and flexibility in refrigeration projects.
- It has a wide range of refrigeration products with the latest innovations in refrigerant gases and environmentally friendly technologies.
DANUBE, DOMUS and PRIMER are the specialist brands in the global supply of professional laundry equipment. They focus their distribution around the specialist channels.

PRIMER’s main activity is in Spain. DOMUS and DANUBE work mostly in the other markets, with the latter specialising in the health or hospital laundry sector.
MISSION

We are an international business group working to provide equipment solutions for the restaurant & catering, laundry and refrigeration applications industries. We are integrated in the cooperative experience of Mondragón, and we strive to be acknowledged as a company in which:

We **GROW** with our clients, working together to find the most efficient and effective solutions wherever they may be needed.

We **ACT** as a team of responsible people who are wholeheartedly involved in a common project.

We are **COMMITTED** to society and its future, and to the development of energy efficient, sustainable products.
01. INTEGRITY

“GETTING IT RIGHT”
At ONNERA Group we act with integrity, in an open, transparent relationship through which we aim to build lasting bonds, working for a mutual benefit among the people making up the Group and our clients and associates.

02. COMMITMENT

“THE VALUE OF OUR WORD”
At ONNERA Group we are committed to hard work so that results can be achieved. We are also Committed to a well done job and to honouring our word and making it be honoured.
03. A GLOBAL TEAM

“TOGETHER WE ARE MORE”

ONNERA Group is a global team; we listen to everyone’s contributions and take them on board. We share a Group vision and adopt as our own the decisions that place the common good over partial interests.

04. INICIATIVA

“The Strength of the First Step”

At ONNERA Group we act with Initiative and a proactive attitude to provide the client with solutions, to constantly strive to find better ways, and to make our company stronger every day.
